Where It's AT!

Assistive Technology
for Children & Youth
Conference

October 4th and 5th, 2017

DoubleTree by Hilton
Regina, SK

Presenters
Kelly Fonner and
Jennifer Donais

ABOUT THE SPEAKERS

KELLY FONNER

Kelly is a self-employed consultant and trainer with over 33 years of experience in assistive and educational technology. She is a Special Educator and has a Masters in Educational Technology with emphasis in Rehabilitation and Special Education. Since 1986 she has presented to schools, universities and families in 48 states and internationally (Canada, Australia and South Africa). She speaks on a wide range of topics including AT assessment and implementation strategies, augmentative communication, computer access, electronic literacy and study skills.

JENNIFER DONAIS

Jennifer is an SLP in the Beautiful Plains School Division in Southwest Manitoba. She has worked with preschoolers and school-aged children in rural and northern settings in Manitoba for her entire career. Jennifer has an interest in working with children with special needs and complex communication needs. She received her introductory PODD (Pragmatic Ordered Dynamic Display) training in 2008 and the advanced training in 2011. Jennifer participated in the Environmental Training Teaching program with Kelly Fonner in 2009, 2010 and 2013. Jennifer has presented at the ATIA conference in Florida and at Closing the Gap in Minnesota.
